Proposed Collection Title: NIH Special Volunteer and Guest Researcher Assignment
OMB # 0925-0177, exp., date April 30, 2024, REVISION, Office of Intramural Research (OIR), Office of the Director (OD), National Institutes of Health (NIH).

Need and Use of Information Collection: Form Number: NIH-590-2 is a single form completed by an NIH Special Volunteer prior to his/her arrival at NIH. The information on the form is necessary for the Special Volunteer to acknowledge and agree to the conditions and responsibilities of their volunteer services at NIH via a Special Volunteer Agreement as the legal instrument. The U.S. Department of Health and Human Services (HHS) Office of General Counsel, in consultation with the Department of Justice, now requires that revisions be made to items 7 and 8 of the Special Volunteer Agreement. Special Volunteers and Guest Researchers both fill the main collection instrument, NIH Form 590; and Guest Researchers fill a separate Guest Researcher Agreement, NIH Form 590-1. No revisions are proposed for these other forms currently. Form NIH-590 is a single form completed by an NIH official for each Guest Researcher or Special Volunteer prior to his/her arrival at NIH. The information on the form is necessary for the approving official to reach a decision on whether to allow a Guest Researcher to use NIH facilities, or whether to accept volunteer services offered by a Special Volunteer. If the original assignment is extended, another form notating the extension is completed to update the file. In addition, each Special Volunteer and Guest Researcher reads and signs

an NIH Agreement.

OMB approval is requested for 3 years. There are no costs to respondents other than their time. The total estimated annualized burden hours are 652.
